According to the motto first come, and also because of a possible lack of space, ask for a binding commitment of the rates by November 12, 2021. The championship is carried out according to the principles of the IHS. Standard winner trophies for the pair set with the highest points per standard, provided that 75 points have been achieved. Decisions by the championship management and the international jury are final.

The fish are shipped at your own risk. Fish from foreign participants remain with the organizer. By posting, each participant declares his unreserved agreement with the guidelines of this championship.

**Best regards from Vienna.**
